REASONS FOR ALLOWANCE

1. The following is an examiner's statement of reasons for allowance: prior art of record considered as a whole alone or in combination neither anticipates nor renders obvious, the color of the surfaces of the abrasive grains is set to have a density differing from that of the color of the surface of the tool base by a predetermined or larger amount, in combination with the rest of the limitations in claim 1, prior art of record considered as a whole alone or in combination neither anticipates nor renders obvious, the tool base or each of the abrasive grains is mixed with a coloring additive so that the surface of the abrasive grain is colored differently from the surface of the tool base, in combination with the rest of the limitations in claim 3, prior art of record considered as a whole alone or in combination neither anticipates nor renders obvious, setting a color difference between a surface of a tool base and a surface of each of the abrasive grains on a grinding surface and subjecting the image data obtained to image processing on the basis of the color difference so as to emphasize a difference between data indicating the surface of the abrasive grains and data indicating the surface of the tool base, both data being contained in the image data, in combination with the rest of the limitations in claims 5 and 13.
2. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
